

## Agenda in details

Date	Time	Teachers	Lectures
Sep. 2	9:30 - 10:30		Registration
	11:00 - 13:00		Welcome party
	13:30 - 14:30	Dr. Zhaohan Zhang	Tour of the university
	15:00 - 17:00	Dr. Zhaohan Zhang	Tour of the city (Saint Sophia Cathedral)
Sep. 3	8:30 - 8:35	Yujie Feng Professor, School of Environment	Welcome and introduction of guests
	8:35 - 8:45	Nanqi Ren Professor, academician School of Environment	Address for the opening
	8:45 - 9:00		Taking photos
	9:00 - 10:45	Yujie Feng Professor, School of Environment	1, Introduction of HIT and SKLUWRE 2, Advance in microbial fuel cells (MFC) for pollutants removal
	10:45 - 12:30	Vitaliy V. Kurilenko Professor, Department of Environmental Geology	Scientific - methodical reasoning mechanisms of rational nature and subsoil
			Lunch time
	14:00 - 16:00	Prof. Zhonglin Chen	Tour of the Labs
Sep. 4	8:00 - 9:45	Jun Ma Professor, School of Environment	Challenge of drinking water quality in urban area and technology development toward sustainable solution
	10:00 - 11:45	Oksana S. Izosimova Associate Professor, Department of Environmental Geology	Research Methods in Ecogeology
	13:45 - 15:30	Yifan Li Professor, School of Environment	Pathways for persistent organic pollutants (POPs) to enter Arctic
		Join in the groups for experiments	
Sep. 5	8:00 - 9:45	Jianzheng Li Professor, School of Environment	Biological processes for treating high density organic wastewater
	10:00 - 11:45	Pavel S. Zelenkovskii Associate Professor, Department of Environmental Geology	Estimation of ecological and geological conditions on the territories of nature reserves
	13:45 - 15:30	Xiaojun Han, Professor, School of Chemical Engineering	Detection and photo-degradation of trace pollutant in water
		Experiments	
Sep. 6	8:00 - 9:45	Huiling Liu Professor, School of Environment	Current Situation on Urban Garbage Disposal in Harbin

Date	Time	Teachers	Lectures
	10:00 - 11:45	Natalia G. Osmolovskaya Associate Professor, Department of Biology	Current methods of ecosystems rehabilitation
			Experiments
Sep. 7			Experiments
Sep. 8			Experiments
			Tour of the wetland
Sep. 9	8:00 - 11:30		Presentation from Students
	11:30 - 12:00		Best students awards and closing comments
	13:00 -		Farewell party

Address: HY612/613 , State Key Laboratory of Urban Water Recourse and Environment,  
second campus of HIT

地址：哈尔滨工业大学二校区，城市水资源与水环境国家重点实验室，哈宜楼612/613室

Visiting SPbU in September 2014

Visiting SPbU in February 2015

Unveiling ceremony of the joint research center at Harbin in October 2015
